Important information you need to know

We may change the information contained in this document from time to time. We will communicate any changes to the way we pay medicine when we make these changes.

The Out-of-hospital Prescribed Minimum Benefit (OHPMB) and the utilisation of the benefits and programmes associated with this benefit is subject to specific conditions and rules. Members must make sure that they know these rules and conditions.

Any instructions or advice on the management of your condition are intended to add to, and not replace, the knowledge, expertise, skill and judgement of your doctor, pharmacist or other healthcare professional.

Malcor Medical Aid Scheme reserves the right to change the benefit at any time.

You need to apply for cover

The Out-of-hospital Prescribed Minimum Benefit (OHPMB) application form needs to be completed by you and your doctor. This fully completed form, including any supporting tests that are required (detailed in the application form), must be submitted to Malcor Medical Aid Scheme for review.

Submission details are on the application form. If the condition is approved, cover only applies from the date of approval.
